

RITE NOW @ ROP

Canyon State and Desert Lily Academy employees were treated last month by our community partner Sun Valley Community Church when they hosted a coffee and tea truck. The excitement of starting or ending the day with amazing coffee and tea was very much appreciated. We rely on our community partners to help improve the lives of youth and this is a great example of the benefits that come from working together. Over the past few years Sun Valley Community Church has become an important part of CSA and DLA. Their members are active volunteers who host groups for both our boys program and our girls program, volunteer to help with projects around campus, sponsor activities, attend events such as football games and graduation and invite our students to attend their events. We appreciate Sun Valley Community Church and their generosity to our community and employees. We look forward to many years to come and all the possibilities in the future.
