

RITE NOW @ ROP

Canyon State Academy has developed a partnership with the Arizona Cardinals and State Farm, with the help of Case Manager Michael Bankston. The Arizona Cardinals and State Farm have provided a grant to Canyon State Academy and have gone above and beyond to make a significant difference for the campus. This year they have redone the football field and sprinkler system, fixed the goal posts, installed a new scoreboard and gifted new Chromebooks. The students are so excited to start football practice and are getting ready for a new season.

This fall we are looking forward to hosting a celebration with our students, Arizona Cardinals and State Farm during an upcoming football game along with a Cardinals kids camp where students will practice drills alongside current players and alumni, meet cheerleaders and Big Red and receive an NFL experience.

We appreciate everything that the Arizona Cardinals and State Farm has done and continues to do for Canyon State Academy. We look forward to the opportunities the students will receive because of their generosity.

Be on the lookout for a celebration video starring the Arizona Cardinals, State Farm team members and our very own Canyon State Academy students!
